

## Are you a PhD student or Early Career Researcher in food production, chemical safety or sustainability?

Would you benefit from fully funded travel to another institution in Europe?  
Or funding for a summer research project?

To find out more please join us on  
**Thursday 12<sup>th</sup> September 2019**  
11:30 am until 2:30 pm  
Clement Stephenson Lecture Theatre

We will hear from a range of young scientists, community and school projects who have previously received awards from the Enviresearch Foundation

A buffet lunch will be provided

Please RSVP by 5<sup>th</sup> September to [foundation@enviresearch.com](mailto:foundation@enviresearch.com)  
For further details see <https://enviresearchfoundation.org>  
or e-mail us at [foundation@enviresearch.com](mailto:foundation@enviresearch.com)
